

# SPRING 2018 RENOVATIONS UPDATE

Bill Bolton Arena is taking a working vacation this summer! We will be closed from March 31<sup>st</sup>, 2018 until October 1<sup>st</sup> 2018 for major mechanical upgrades.

This means our 2018 Spring and Summer programs are cancelled but our Fall/Winter programs will continue, with some on a shortened schedule.

The Arena management is working with the general contractor to develop the construction plan. Work will include the replacement of many mechanical components, equipment and piping that are at the end of their life span, and replacement of the refrigerated rink slab. We expect to see the construction activity begin in April. During the construction access to the arena office and Pro Shop will be impacted. We will provide updates on registration and Pro Shop hours as soon as this information is available. Please consult the bulletin boards, Arena website and Facebook for updates.

We would like to thank you in advance for your support and patience during this time. Bill Bolton Arena will be back, better than ever for the 2018-19 season!
